

Rachel A. Ryskin

Department of Cognitive & Information Sciences | University of California, Merced
rryskin@ucmerced.edu | 847.915.0965 | <http://raryskin.github.io>

Positions

2020 - *present*. Assistant Professor. Cognitive & Information Sciences
University of California, Merced

2019 - 2020. Postdoctoral Associate. Brain & Cognitive Sciences
Massachusetts Institute of Technology.
Advisor: Evelina Fedorenko

2016-2019. NIH NRSA Postdoctoral Fellow.
Massachusetts Institute of Technology. Brain & Cognitive Sciences
Boston University. Speech, Language, & Hearing Sciences
Advisors: Edward Gibson (MIT) & Swathi Kiran (BU)

Education

2016. Ph.D. Cognitive Psychology
University of Illinois at Urbana-Champaign
Advisor: Sarah Brown-Schmidt

2010. B.A. Cognitive Science & European Studies
Northwestern University

Awards & Fellowships

2023. UC Merced Senate Faculty Award for Distinguished Early Career Research

2023. Fellow of the Psychonomic Society

2020. Infinite Kilometer Postdoctoral Award. MIT School of Science

2016-2019. NIH/NIDCD F32 Ruth L. Kirschstein National Research Service Award

Role: PI (Co-sponsors: Ted Gibson, Swathi Kiran)

Title: *Mechanisms of adaptation in (healthy and aphasic) noisy-channel comprehension*

2018. Preregistration Challenge Prize. Center for Open Science

2016. Sarah C. Mangelsdorf Award. Psychology, University of Illinois at Urbana-Champaign

2016. Alumni Advisory Board Graduate Student Travel Award. Psychology, UIUC

2015. Cognitive Science / AI Award. Beckman Institute for Advanced Science and Technology

2015. William Brewer Teaching Award. Psychology, UIUC

2015. Nancy Hirschberg Memorial Award. Psychology, UIUC

2012. University Fellowship. Psychology, UIUC

2009. Undergraduate Summer Research Fellowship. Cognitive Science, Northwestern U

Grants

2024-2029. NSF PAC 2336304

CAREER: *Tracking correlation or inferring causation:
How human language processing adapts to the environment*
Role: PI. (Total costs: \$674,197)

2023-2024. UC Merced Academic Senate Faculty Research Grant

The Role of Prefrontal Cortex in Predictive Sentence Processing
Role: co-PI with David Noelle. (Direct costs: \$14,880)

2021-2024. NIH/NIA R15 AG073948

Prediction in language across the lifespan
Role: PI. (Direct costs: \$300,000)

Invited/Colloquium Talks

2024. Language adaptation across timescales. *Linguistics Colloquium*, UC Davis
2023. Language adaptation across timescales. *CBS Research Seminar*, The Hong Kong Polytechnic University
2023. Conversation: a dialogue between cognition and culture. *Center for Language, Interaction, and Culture Workshop*, UCLA
2023. Language adaptation across timescales. *CHaB Lab meeting*, UCLA
2022. Lifelong learning of language representations. *Sleep, Language, & Memory Lab*, York U.
2021. Communication in context across timescales. *Computational Cognitive Science Lab*, U. of Edinburgh
2021. Lifelong learning and contextual inference underlie language understanding. *Developmental Psychology Colloquium*, UC Merced
2021. Human language processing is adapted to noise. *HCI group meeting*, UC Merced
2020. Real-time pragmatic inference across cultures: evidence from a non-industrialized society. *Language Lab meeting*, MIT
2020. The role of context in predictive language processing, *Cognitive Psychology Colloquium*, UCLA
2020. The role of context in predictive language processing, *Cognitive Psychology Brownbag*, UIUC
2020. The role of context in predictive language processing. *Mind, Technology, & Society Talk Series*, UC Merced
2020. The role of context in predictive language processing. *Cognition & Language Workshop*, Stanford
2019. Lifelong Learning of Linguistic Representations. *Computational Linguistics Lab*. University of Pisa
2019. Lifelong Learning of Linguistic Representations. *Computation and Language Discussion Group*. MIT
2018. Error-correction in language comprehension: Implications for aphasia. *Speech, Language, and Hearing Sciences Colloquium*, Boston U.
2017. Syntactic processing is shaped by learning: The role of context and memory systems. *Language & Cognition Meeting*, Harvard
2017. Aphasia as rational inference over a noisy channel: Is the noise model malleable? *Language Processing and Recovery in Aphasia Symposium*. Center for Research in Sensory Communication and Emerging Neural Technology (CRESCENT), Boston U.

2017. Language comprehension in context. *Spring Cross-Program Gathering of the Sargent College Committee Enhancing Research and Collaboration in Health & Rehabilitation*, Boston U.
2016. Learning about how other people talk: The case of syntax. *Aphasia Research Mini-Symposium*, Department of Speech, Language, and Hearing Sciences, Boston U.
2014. How do listeners encode spatial perspectives? *Language processing talk series*, Beckman Institute, UIUC

Teaching

Introduction to Language & Linguistics (UG). Spring 2022, 2023.
 Statistics for Cognitive Scientists (G). Spring 2021, 2022, 2023, 2024
 Language in Minds, Brains, & Machines (UG/G). Fall 2021, Spring 2024
 Seminar in Cognitive Science (G). Spring 2021

Professional service

Editorial service

Consulting Editor. *Journal of Experimental Psychology: General* (2023 -)
 Associate Editor. *Open Mind* (2023 -)

Ad hoc reviewing

Journals. Acta Psychologica. Applied Psycholinguistics. Bilingualism: Language & Cognition. Brain & Language. Cell Reports. Cerebral Cortex. Cerebral Cortex Communications. Child Development. Cognition. Cognitive Science. Cognitive Psychology. Current Biology. Dialogue & Discourse. Discourse Processes. Human Brain Mapping. Journal of Experimental Psychology: General. Journal of Experimental Psychology: Learning, Memory & Cognition. Journal of Memory & Language. Language, Cognition, & Neuroscience. Language & Linguistics Compass. Memory & Cognition. Nature Communications. Neuroimage. Open Mind. PLOS One. Psychological Science. Proceedings of the National Academy of Sciences. Social, Cognitive, & Affective Neuroscience. Visual Cognition

Grants. PRELUDIUM pre-doctoral grant, National Science Center, Poland. NIH Ad hoc panel (National Institute on Aging). NSF Ad hoc reviewing (Linguistics, Developmental Science).

Conferences. Architectures and Mechanisms of Language Processing (AMLaP). California Meetup on Psycholinguistics (CAMP). Cognitive Modeling and Computational Linguistics (CMCL) workshop. Cognitive Science Society (CogSci). Human Sentence Processing [formerly CUNY]. International Conference on Computational Linguistics. Meaning in Context Workshop at NeurIPS 2022. Society for the Neurobiology of Language (SNL)

Conference/Talk series organization

2017. Conference on Human Sentence Processing (formerly CUNY) at MIT. Organizing Committee
 2022-present. CROSSTALK talk series at UC Merced. Chair of organizing committee

Updated: July 1, 2024
